## Introduction

Thank you for purchasing Beatural Natural White Noise Machine. This instruction manual contains important information about safety, usage, and disposal. Use the product as described and keep this manual for future reference. If you sell this machine or pass it on, also give this manual to the new owner.

Natural White Noise Machine creates soothing, natural white noise to block out background disturbances for a restful night's sleep, improved concentration, and even for keeping prying ears away from confidential conversations. Also great for baby rooms, with fully adjustable tone and volume and a pleasant, mushroom-like shape.

## Important Safety Instructions

- This plug is intended to fit into a polarized outlet in only one orientation to reduce the risk of electric shock. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to modify the plug in any way.
- If the power cord is damaged, it must be replaced by the a qualified technician.

• **WARNING:** To reduce the risk of fire or electric shock, do not use this machine with any solid-state speed control device (dimmer switch, motor controller, variable speed control, etc.).

- Do not immerse the machine in water or other liquids when cleaning it.

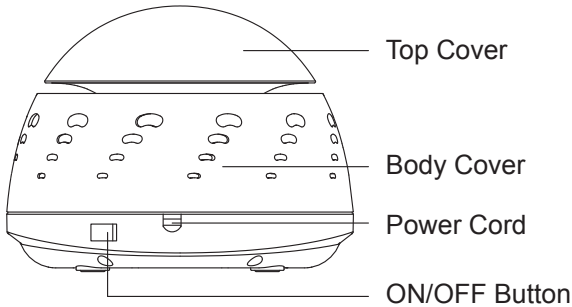

### **IMPORTANT POWER CORD SAFETY INFORMATION**

- Do not run the machine's power cord under carpeting. Do not cover the cord with throw rugs, runners, or similar coverings. Do not route the cord under furniture or appliances. Do not place the power cord where people may step on or trip over it.
- **CAUTION!** The holes at the base of the machine serve as an air exhaust. Blocking these holes or restricting airflow around the machine in any way can cause severe overheating, which can seriously damage your machine and the area surrounding it.

- This machine may be used by children over 8 years old and dependents if they are properly supervised and have been made fully aware of the risks of use. Children shall not play with the machine. Cleaning shall not be done by children without supervision. No user maintenance is required.

- This machine is for household use ONLY.

## Product Description

## Operating Instructions

1. Connect the power cord plug into a power outlet of the correct specification.
2. Press the ON/OFF button to turn on the white noise sound.
3. Both the top cover and body cover can be rotated to change volume. Rotate the covers clockwise (right) to lower the volume and counterclockwise (left) to raise the volume. Keep rotating the covers until an appropriate volume level is reached.
4. Press the ON/OFF button to turn off the machine.
